

1. На місці іншої людини

Девід Еванс, відомий британський письменник, вирішив помінятися місцями зі своєю донькою Вікторією. Він пішов до школи і провів цілий день уроків. Спочатку він нервував, оскільки йому 44 роки, і він давно пройшов школу.

Але вчителі та студенти дуже його вітали. Того дня у батька Вікторії було 9 різних класів.

На уроці географії Девід отримав відмінну оцінку за знання карти "Австралія". Йому стало гірше в науці та математиці, оскільки він не пам'ятав багато зі шкільних днів. Його відповідь англійською була блискучою, але на уроці фізичної культури він зазнав невдачі.

Містер Гранс сказав, що зараз школа зовсім інша, але в 10 разів краща. Діти мають більше свободи і вони більш незалежні.

Поки її батько був у школі, Вікторія, 17 років, залишалася вдома і виконувала вдома роботу батька.

Мати Вікторії - археолог і зараз перебуває в Єгипті, тому батько багато працює над будинком.

Вранці Вікторія зробила кімнати і набрала на комп'ютері.

Після обіду вона працювала в саду. О четвертій годині її батько прийшов додому і розповів їй про свій день у школі. Вікторія приготувала обід. Після обіду містер Еванс пішов робити домашнє завдання, а Вікторія дивилася телевізор і читала газету.

Вікторія сказала: "Я вважаю за краще мій звичайний день, але добре було змінитись!"

2.

Time of the day Victoria Victoria's father
morning

afternoon

evening 1) did the rooms

2) worked in the garden

3) watched TV and read the newspaper 1) went to school

2) came home

3) went to do his homework

3.

Positive Degree	Comparative Degree	Superlative Degree
-----------------	--------------------	--------------------
